BRP Error Form – Applications made overseas

Step 1 Go to the following link to report a BRP error: <u>https://www.gov.uk/biometric-residence-permits/report-problem</u>

Step 2 Go to the bottom of the page to 'report a problem'

If your name is long it may appear 'cut off' on your BRP. This is not a mistake - it is because there is limited space on the BRP card. However, if there's a spelling mistake, you must <u>report it</u>.

You'll need to have the following:

- your BRP number
- your full name, date of birth and nationality as they appear on your BRP
- an email or postal address

You can get someone to report the problem for you, for example a legal representative, a charity, employer, college or university.

The Home Office will email you within 5 working days to tell you what to do next. It'll take longer if you do not give an email address.
